

FAMILY FRIDAY

"Special Innovation Lab Open Hours for Young Children!"

Embark on a special day of exploration and learning in the Science Center of Iowa's Innovation Lab with special open hours geared toward young children! On this day, young learners will be able to experience entry-level coding and robotics, using Indis to move from spot to spot!

Materials Provided by SCI

TIME: 10:00 am–12:00pm

LOCATION: Founders Hall at the Science Center of Iowa

Robotics and Coding Exploration:

Get hands-on with entry-level robotics and coding using Sphero Indis. Children will have the opportunity to program these friendly robots to complete challenges.

Benefits:

- Encourages curiosity and exploration
- Provides hands-on learning experiences that promote critical thinking and problem-solving skills
- Fosters creativity and imagination through interactive activities and experimentation
- Supports early STEM (Science, Technology, Engineering, and Mathematics) education in a fun and engaging environment
- Promotes a love for learning and discovery to inspire future innovation and scientific exploration
